## Kära gäst,

Vår vinlista omfattar över 150 viner från några av världens främsta vinländer. Här samsas välkända klassiker med noga utvalda producenter som kanske är mindre kända, men som alla delar samma kompromisslösa fokus på kvalitet.

Särskilt representerade är Spanien, Frankrike, Italien, USA och Argentina – regioner som vi håller som personliga favoriter och som med sina unika traditioner och uttryck erbjuder en mångfald av smaker.

Listan rymmer både tidlösa viner och moderna tolkningar, framställda av vinmakare med stor kunskap och respekt för sitt hantverk. Många arbetar med en medveten strävan efter naturlighet och renhet, vilket präglar vinerna i glaset.

Om du önskar vägledning i ditt val finns vi alltid till hands. Vårt mål är att ge dig en vinupplevelse som både kompletterar maten och skapar minnesvärda stunder.

*Med vänliga hälsningar,  
Aleks y Filip*
