Stufvenäs Gästgiveri

F E B R U A R Y 2 0 2 6

Welcome to Stufvenäs Gästgifveri's wine cellar. A nationally recognized cellar built in 1990 by the founder, Sigvard Johansson. For 17 years, Sigvard built up this treasure. The wine cellar ultimately consisted of nearly 6,000 bottles with a market value in today's price levels of approximately SEK 30,000,000. At that time, you could find rarities such as *Chateau Lafite-Rothschild* from 1900, *Chateau Pétrus* from 1949 and *Chateau Margaux* from 1878.

The wine cellar has received several awards over the years, such as Wine Spectator's Best Award of Excellence 11 times between the years 1995-2006. The cellar has also been awarded with a diploma for Sweden's most prominent restaurant wine list by the Swedish Wine Academy in the year 1997, and the prize as "Wine list of the year" from Munkskänkarna in the year 2004.

In September 2007, a burglary took place in the wine cellar and all bottles of value were stolen. A great reward has been given to the person who can provide valuable information. But no one has been convicted or arrested for the crime.

After that, the wine cellar had been forgotten and the availability for our guests have been almost non-existent. The wine cellar had been in a long rest and now it's time to bring it back to life.

Now we want to recreate a wine list that interests and attracts, and at the same time increase the accessibility for our guests who want to experience a fantastic wine cellar filled with history and really good wines. In 2022 our wine list has received Wine Spectator's Best of Award of Excellence again and in 2020 the prize with the highest form of recognition from Munkskänkarna, which we see as a step in the right direction. In 2022 we also get listed in Star Wine List.

Welcome!

Välkommen till Stufvenäs vinkällare. En nationellt erkänd källare som byggdes 1990 av gästgifveriets grundare Sigvard Johansson. Under 17 års tid byggde Sigvard upp denna skatt som till slut bestod av närmre 6 000 buteljer med ett marknadsvärde i dagens prisnivåer på närmre 30 000 000 kr där rariteter såsom *Chateau Lafite-Rothschild* från 1900, *Chateau Pétrus* från 1949 och *Chateau Margaux* från 1878 trängdes.

Vinkällaren har fått flera fina utmärkelser genom åren, bland annat har Wine Spectator delat ut Best Award of Excellence 11 gånger under åren 1995-2006. Källaren har även tilldelats diplom för Sveriges förnämsta restaurangvinlista av Svenska Vinakademien 1997 och priset som årets vinlista av Munsänkarna 2004.

I september 2007 skedde en uppmärksam vinstöld där ett antal okända personer tog sig in i vinkällaren och stal alla flaskor av värde. En stor belöning har utfästs till den som kan lämna information som får tjuvarna fällda. Men ingen har dömts eller gripits för brottet.

Därefter hade källaren fallit i glömska och tillgängligheten för våra gäster var nästan obefintlig. Vinkällaren har befunnit sig i en lång vila och nu är det dags att vi väcker den till liv. Lugnt och metodiskt vill vi återskapa en vinlista som intresserar och attraherar och samtidigt ökar vi tillgängligheten för våra gäster som vill uppleva en fantastisk vinkällare fylld med mycket historia och riktigt bra viner. Vår vinlista blev 2022 tilldelad Wine Spectators utmärkelse Best of Award of Excellence och dessutom listad i Star Wine List. 2020 belönades vår vinkällare med fyra vinklasar av Munsänkarna 2020, vilket vi ser som fina erkännanden att vi är på rätt väg.

Välkomna!
