Gottelistans filosofi bygger på ärliga viner utan hokus pokus som vi själva gillar att dricka på fritiden. Listan domineras av viner med minimala tillsatser. Vissa har inga alls medan vissa har lite mer. "Tuttifrutti" skriver vi när det är fler än två druvor. Vinerna är listade från norr till söder och glasvinerna hittar ni längst upp på varje kategori. Vi rekommenderar att man börjar med en martini, delar på en flaska eller två och avslutar kvällen med en Colorado bulldogg. Fråga oss gärna om vadsomhelst, har vi inget svar så hittar vi ett tillsammans!
