THE ACCIDENTAL WINE LIST

Vin är gott, spännande och roligt. En mytomspunnen dryck och en stor del av många länders kulturarv. Vinvärlden är en fascinerande värld i konstant utveckling.

Vi älskar vin och har förkärlek för schysst framställda goda viner.

Tanken bakom vår vinlista är att det ska finnas något för alla smaker.

Vin är nämligen som kärlek man vet när man träffar rätt men för att träffa rätt måste man våga ge sig hän.

Välkommen att sväva fritt med oss en stund!

Wine is delicious, fun and exciting. A mythical drink and a large part of many countries cultural heritage. The wine world is a fascinating place in constant development. We love wine and have a preference for nicely produced good wines.

The idea behind our wine list is to provide everyone with something they like. For us wine is just like love. You know when you meet the right one... but to meet the right one you have to dare to give yourself up

Welcome to indulge yourself with us!
